**Curbside pick-up** of recyclable materials is now available to residents of the city of Sault Ste. Marie, MI. To receive this service, you must purchase a bin from Waste Management of the E.U.P. for a one time fee of \$9.00. The office is located next to the transfer station at the above address.

**Curbside rules and schedule are as follows:**

Waste Management will pick up your recyclables twice a month, the first full week, and the third week of each month. Place your recycling bin in the front of your residence. It will be picked up on the regular trash, by a different truck. Following are the items which can be placed in your recycling bin for curbside pickup:

- 1. Plastic Bottles Only. The bottle must have a #1 or #2 on Bottom, rinsed clean, and no caps.**
- 2. Steel & Aluminum Cans. *Rinsed & clean.***
- 3. Newspapers, Magazines and Catalogs.**

Items NOT listed above will not be picked up at curbside.

**Remember! Absolutely! NO GLASS** of any kind in curbside material.

*Should you have any questions regarding curbside pickup please call
